

Young Investigator Awards

The scientific committee is pleased to announce that **2 young investigator awards of 500 Euros** will be given to young investigators for the best research presentation (oral or poster).

The awards will be given to persons aged under 30 years or persons possessing a Ph.D. degree for less than 5 years.

The awards include honorary certificates and prizes of 300 Euros (1st award) and 200 Euros (2nd award). The prizes is offered by ISANH

Interested young investigators, please submit your candidacy by email to isanh@isanh.com before **March 31, 2012.**

Paris Polyphenols 2012 Awards

The Scientific Committee of Paris Polyphenols 2012 will also award the **most innovative projects, products or ingredients** with clinical studies upon abstract submission.

Two awards will be discerned for:

- *Paris Polyphenols 2012 Award for Polyphenols Applications in Health*
- *Paris Polyphenols 2012 Award for Polyphenols Valorisation from Waste*

Deadline to send your project: March 31, 2012

To submit your project for award, please send us all files that can present your project: abstract, publications, sample...

For more information, please don't hesitate to [contact us](#) .
