

Beautiful Bonn: Discover how beautiful the city can be during summer time.....

Swimming, dancing, sight seeing, culture, museums... The little but really beautiful city at the Rhein offer a lot of activities during the summer month.

Beethovens homeland:

The works of Ludwig van Beethoven, Germany's greatest composer, are played throughout the world. At the tender age of 12 he was already creating sonatas and symphonies which to this day form the basis of every good musical education. The house where he was born in December 1770 has become the symbol of Bonn. Many of the city's musical events are dedicated to its most gifted son and music fans from all over the world every year come to Bonn's Beethoven festival.
